This Golden Anniversary Edition of The Bearcat represents fifty years at R.H.H.S. For many students, the years spent in high school are both the best of times and the worst of times. These bright, exciting days are often sprinkled with painful lessons in the struggle towards maturity: discovering talents and realizing limitations, making close friendships while learning to accept faults in others and yourself, increased freedom accompanied by greater responsibility, and choosing a lifestyle while facing the realities of the future. The Bearcat strives to capture the essence of these high-school years and preserve them for a time when memories of these special days will be more valuable than gold.

1984

Rock Hill High School shares Governor Richard Riley's concern for the quality of education in South Carolina. Parents, teachers, counselors, and administrators work together to ensure students the opportunity to receive a good education. First, parents have a great influence over their children's attitudes toward learning. Many wise Bearcat parents encourage their children to participate in a variety of school-related activities. This support from home provides a strong base for education at R.H.H.S. Next, teachers and counselors whom students encounter at R.H.H.S. form the core of

The Spirit

the educational experience. The concern and skill of fine teachers inspires a true desire to learn. Multi-level academic instruction and a variety of fine arts and sports programs keep Bearcats interested in learning. Also, we must not forget the people who maintain this "education machine," administrators, board members and principals, who daily face new problems. In gratitude to all these people who strive to advance the quality of our lives, the Senior Class dedicates this Golden Anniversary Edition of THE BEARCAT to —

of Education

History of Rock Hill High School Yearbooks

Arthur W. Huckle, editor and publisher of the Rock Hill Evening Herald, invited the students of Rock Hill High School to furnish school news to his paper on a regular basis, beginning in 1924. Encouraged by Mr. Huckle's generous offer of space, the students eagerly gathered material that they thought would be of interest to the general public and sent it to Mr. Huckle for his consideration. The first school column in the Herald appeared on October 27, 1924. This space was filled regularly for a number of years, even after the High School pupils started publication of a paper of their own at the School.

The first issue of the separate newspaper at Rock Hill High School came out in the fall of 1925. It was called **The Catawban** and was sponsored by Allen M. Hurd, a member of the history faculty. Mr. Hurd took what had been a column appearing periodically in the Herald and worked untiringly with the students to make it one of the best high school newspapers of the state.

In May of each year the final issue of the paper for the school year would appear. This last issue was always given over to the Seniors and quickly became "the school annual." The Rock Hill High School yearbook was then, originally, an enlarged issue of the school newspaper, **The Catawban**. This arrangement continued for nine years. All the annuals from 1926 through 1934 were paperbacks, some printed, some mimeographed. In 1933 and 1934 the name used was **Senior Echoes**.

Finally, in 1935 there appeared the School's first hardback yearbook, named the **Bearcat**. (The annual staff adopted the name used by the athletic teams of the School.) The first fifteen volumes of the **Bearcat** used a small format. The first yearbook to appear in the present large format was that of 1950.

Allen M. Hurd (1903-1935) was, as stated above, principal founder of the School newspaper and the School yearbook. He was connected with Rock Hill High School from 1925 to 1933. Other faculty sponsors and advisers since Mr. Hurd's time have been Miss Mary M. Marshall, Miss Ruth M. Williams, Mrs. Eva Moore White, Miss Rebecca Williamson, Miss Margaret Miller, Miss Irene Kneece, Mrs. Judy Harper, Mrs. Marian Stallings, and William B. White, Jr. Traditionally, Senior teachers have assisted the sponsors in attending to the myriad details of yearbook publication. Among those teachers who gave their time to the yearbook were Miss Virginia Anderson (later Mrs. John W. O'Neal, Jr.), Mrs. Eddie Miller, Paul D. Workman, Miss Grace Stuckey (later Mrs. William R. McCleave), George P. Cobb, Miss Virginia Jackson (later Mrs. Sam Allen Winget), and Mrs. Pam Carroll. And there were many, many others.

The publisher's representatives who have most often been associated with the production of the **Bearcat** have been Frank Fleming (now deceased) and Horace Blackston. Mr. Blackston, known to thousands of Rock Hill High School students through the years, not only took most of the pictures for the yearbook but also made all of the arrangements with the publisher, The Delmar Company, of Charlotte, North Carolina. The **Bearcat** owes Mr. Blackston a debt that it would be impossible to repay. Here's a salute to Horace Blackston, the man who has always been a true friend of Rock Hill High School and of the **Bearcat**!

Horace Blackston, of Blackston, Inc., Pageland, South Carolina, photographer and publisher's representative for the **Bearcat** for more than twenty-five years.

Reproduction of the cover of the third volume of **The Catawban** (for 1928), which was a paperback yearbook/newspaper combination.

Dr. Joab Mauldin Lesesne, President Emeritus of Erskine College, Due West, South Carolina. When Doctor Lesesne was teaching history at RHHS from 1921 to 1930, he also coached football. It was he who coined the term "Bearcat" to designate the athletic team. Thus, indirectly, it was Doctor Lesesne who bestowed the name "Bearcat" on the yearbook.

It would be impossible to list all the students whose membership on the **Bearcat** staff since 1935 made the yearbook a reality. Without the hours of hard work and dedication of these young people, there would have been no book. Here is a list of editors-in-chief who have served since the **Bearcat** was first published. This list is reproduced as a small token of appreciation for all former staff members' distinguished service to Rock Hill High School.

Student Life

"AROUND TOWN"

"LIVE FROM ROCK HILL HIGH"

1. Kim Grant's philosophy is: "Make what you do important, because you're exchanging a day of your life for it!"
2. According to Terri Matthews: "Genesis is the best rock group because they speak to anyone who takes the time to be silent and listen."
3. What Donny Christy likes least about Rock Hill High School is "the emphasis put on athletics, not academics, and on grades, not learning." Donny's favorite quotation comes from Jim Morrison: "No eternal reward will forgive us for wasting the dawn."
4. Lisa Ellis's favorite quotation centers around two things she is committed to: world peace and chocolate. "The Swiss are known for nonviolence. They are also known for superb chocolate." (Sandra Boynton).
5. Craig Walters' favorite quotation comes from Gordon Summner: "The pursuit of knowledge alleviates the pain of being human."
6. Marty Grem on nuclear arms: "I believe we need strong military power to offset the power of the enemy — nuclear weapons fit our needs."
7. About the arms race, Young Sue Bae feels that "it's just absurd and pitiful that men are wasting their time and money to destroy themselves eventually."
8. A favorite quotation of Amy Brown comes from a Beatles song written by George Harrison: "When you've seen beyond yourself — then you may find peace of mind is waiting there — And the time will come when you see we're all one, and life flows on within you and without you."
9. What Rebecca Scott likes least about Rock Hill High School is the new assertive discipline program: "High school is supposed to be preparing us for college; instead, we're being treated as if we were going to elementary school."
10. Gerald Small's favorite quotation comes from Søren Kierkegaard: "Life can only be understood backwards; but it must be lived forwards."
11. Shannon Wolfe favors John Glenn in the upcoming Presidential elections "because he supports women's issues and is a national hero."
12. Liz Olthoff's philosophy of life asks you "to be who you are all the time and to have people accept you just as you are."

PROM NIGHT 1983

"IT'S A SMALL WORLD"

Blue jeans and button-downs were exchanged for frilly dresses and tuxedos as the '83 Juniors and Seniors spent a night in a make-believe world. Streamers, palm trees, and scenes from different countries surrounded the dancing Bearcats, while music filled the air. The fears of the Juniors on the planning committee disappeared as they watched their plans and preparations fall into place. The good feelings of fun, friends, and excitement overcame any worries and made it an unforgettable night.

1. A slow dance brings Letitia Simpson and David McCreary together.
2. Formal, but fun: Rhonda Demby, Mandy Brooks, and Tim Greene strut their stuff.
3. Patti Parker and Bernard Agurs move to the music.
4. Taking a break: Beverly Mackey and Karen Smith.

- 
1. Patrice McKee and Charles Moore share a tender moment.
2. The Staircase Band rocked "The Rock" on prom night.
3. Good times and good friends: Mark Rodman, Randy Grantham, and Donna Snipes.
4. Steve Stegall and Beth Rutledge sit one out.

LOCKERS — HOME AWAY FROM HOME

Opening a small gray door to three unfriendly walls and all-too-familiar pile of books is an unpleasant aspect of student life. That is why "interior decorating" has become so popular. Cut-outs, pin-ups, posters, and the perennially popular male/female pictures all add personality to lockers and are a creative way of breaking the monotony of the usual school day.

Finding a job today might not be an easy task, but many students have won the job-hunt and found part-time employment. Juggling school and work is difficult, and week-ends have to take a back seat. But when the paycheck comes in, it's worth it.

HISTORICAL SKETCH OF ROCK HILL HIGH SCHOOL 1888-1984

The first public, tax-supported school in Rock Hill was the Rock Hill Graded School, which opened its doors on September 6, 1888, with 124 pupils and 8 teachers in attendance. The present Rock Hill High School has its origins in the Rock Hill Graded School, which was located on the property occupied until several years ago by Central Elementary School (on Black Street between Spruce and Orange Streets). The Graded School offered instruction in grades one through ten. These grades were divided into two divisions, the elementary and the high school.

Alexander Robinson Banks was the first superintendent, serving from 1888 to 1892. Serving with him at the inauguration of Rock Hill's first public school were J. L. Douglas, assistant superintendent and teacher; Misses Emma Roach, Manassah Withers, Mary Clarkson, and Anna Rawlinson (music teacher); and Mesdames Lucy Bynum Barron and G. B. Sandifer.

The first commencement exercises were held in 1891. There were eight graduates. (By contrast, we might note that the Class of 1972 of Rock Hill High School numbered over seven hundred students. Since the latter year the number of graduates from Rock Hill High School has decreased to about four hundred students annually owing to the addition of another senior high school, Northwestern, which was formed from Rock Hill High School.)

By 1913 the enrollment at the Graded School had increased to such an extent that it was thought best to separate the high-school students at the School from the elementary pupils. Accordingly, the first separate home of the high-school division (for both boys and girls) was constructed on land bounded by East White, Gladstone, East Main, and Spruce Streets. This new unit was called Rock Hill High School, a name that was first used in 1907 (see below). The first classes were held in the new building in September, 1914. The name of the Graded School was changed to Central Graded School, later Central Elementary School.

A large addition to the high-school building was erected in 1923 and faced East White Street. The auditorium in the original (1914) building was enlarged and the stage extended in 1924-1925.

Federal funds made possible the building in 1935 of the first separate high-school gymnasium. An office for the superintendent and a large upstairs classroom were put up in 1941. The agriculture building came in 1944, followed in five years by the farm shop. The vocational departments, music groups, library, and cafeteria were housed in new wings built in 1951-1952.

In September, 1965, the Rock Hill High School was moved from East White Street to larger, more commodious quarters at 1825 Eden Terrace. The School was taking over the building originally built for Sullivan Junior High School, which, in September, 1965, was moved to the old High School structure on East White Street. The present RHHS building, on Springdale Road east of the city, was occupied in the fall of 1977.

As originally conceived, the Rock Hill Graded School was mainly a college-preparatory school, using the term "classical depart-

ment" to refer to most of the students in the upper grades. Music instruction was the only non-academic discipline offered in 1888. In 1890, however, the Board of Trustees instituted a stenographic department, with additional instruction in higher arithmetic. This innovation constituted the first vocational instruction offered in the public schools of Rock Hill. Also, in 1890, military training and calisthenics were made available, in addition to art instruction.

Departmentalization took place in 1896-1897. The fourth through the sixth grades were grouped together as were, too, the seventh through the tenth grades. A teacher taught Latin, English, or mathematics classes in several grades, rather than teaching all the subjects in only one grade.

The progress of the Rock Hill Graded School was recognized in 1898, when the South Carolina College (now the University of South Carolina) accepted the institution as an accredited school. James William Thomson was superintendent at this time. It is interesting to note that Dr. J. W. Thomson's grandson Dr. Samuel Reid Spencer, Jr., was a distinguished president of Davidson College.

The tenth grade was taken off sometime after 1898 and was not restored until the session of 1911-1912. John Coleman Cork was superintendent from 1898 until 1911. It was during Mr. Cork's administration that the name Rock Hill High School was first used (see above). By 1907 crowded conditions at the Graded School made it imperative that larger quarters be found or that some of the pupils be moved to another building. The Board of Trustees had the opportunity at this time to purchase for a nominal sum the property and buildings of the Catawba Military Academy (located where the rear wing of Withers Hall now stands on the campus of Winthrop College.) As a result of the Board's action in adding these holdings to the public-school properties, it was possible to move the boys in the high-school department of the Graded school to the new site. When this new institution was opened in 1907, it took the name Rock Hill High School and offered college-preparatory and military training to young men. The government issued rifles to the students in January, 1908, making the School the only one of its kind in the State — a public high school with military training. The only other institutions where rifles had been issued were The Citadel and Clemson College. Unfortunately, the School was operated at the new site for only two sessions. It was closed in 1909 and the boys were returned to the already crowded Graded School.

In the session of 1911-1912 the entire curriculum of the high-school department was divided into classical and scientific divisions. It was during Lueco Gunter's administration (1911-1914) that this was done. It was also during his tenure that the first separate home of Rock Hill High School (for both boys and girls) was erected in 1914, thus providing for instruction and discipline which were at the age-level of those concerned.

With the introduction of extracurricular activities, there came the formation of the Catawba Oratorical and Athletic Association,

organized in 1915. Superintendent Richard Clyde Burts (1914-1938) had been an active participant in matters of this kind before coming to Rock Hill, having himself organized the first high-school association in South Carolina, the Piedmont, in 1907. Only schools of the same rank (based on enrollment) could compete with each other in athletic and mental contests. This same procedure is followed today.

A football team was organized well before World War I, in fact prior to 1912. The commercial course became a part of the regular high-school course in 1916-1917. The eleventh grade was added in 1917-1918, making a secondary program of four years. Summer school work was first offered in 1917.

Miss Catherine Timmerman (later Mrs. J. Spratt Moore), a Winthrop College music graduate, was chiefly responsible for the organization in 1924-1925 of both boys' and girls' glee clubs and of a school orchestra. It was also Miss Timmerman (later Mrs. Moore) who wrote the words of the Rock Hill High School Alma Mater, the official song. Mrs. Moore left Rock Hill to teach in Chester for many years, but she returned to Rock Hill High School to finish her teaching career where she had begun it.

It was while Joab Mauldin Lesesne (later President of Erskine College) was athletic coach (beginning in 1921) that the football team decided to adopt the sobriquet **Bearcats**. The team wanted a name that would signify "the massive, ponderous strength of the bear together with the shrewd cunning of the cat." Thus, the term **Bearcat** was coined. (The school yearbook was later to adopt the name, in 1935.)

The first agriculture teacher began work about 1929, when a chapter of the Future Farmers of America was organized. A local chapter of the National Beta Club came into being before 1937. The National Honor Society was instituted in 1937-1938.

During the administration of Superintendent Walter Caswell Sullivan (1938-1965) the High School participated in all activities recommended by the Federal Government during World War II: Victory Corps organization, physical fitness and drill programs, collection of scrap iron, aid in the office of the Rationing Board, and the purchase of United States war and savings bonds and stamps. Welders and sheet-metal workers received training in special classes. Radio repair and maintenance classes were offered.

The initial evaluation of Rock Hill High School was made by a committee of the Southern Association of Colleges and Secondary Schools in May, 1942. This detailed study of the School aided greatly in the improvement of the high-school curriculum.

The twelfth grade was added to the secondary program in 1948-1949.

In 1953 the numerous school districts of York County were consolidated into only four districts. Rock Hill was designated District 3, which replaced the old York County District Number 12.

The official school seal dates from Mr. Sullivan's days as principal. Through the co-operative efforts of Mr. Sullivan and the

School's art teacher, Miss Marian Dorn (later Mrs. Clarence M. Kuykendal), a design was produced and approved in 1933. This heraldic device has since adorned the class rings of thousands of graduates of the School.

The first black students were welcomed to Rock Hill High School in 1965, from Emmett Scott High School, the large public school for blacks dating from 1922. In 1971 the Emmett Scott School was closed and all its pupils were transferred to Rock Hill High School.

The first principal of Rock Hill High School (when it was still housed in the Graded School) was Edward Walter Hall, who served from 1896 until 1922. Mr. Hall, a Latin scholar, had been a teacher in Rock Hill since 1893 and continued classroom instruction until his retirement in 1931. He was named Principal Emeritus in 1922. His death occurred in 1949.

When the name Rock Hill High School was first used — in 1907 at the military school for boys operated by the Trustees to relieve crowded conditions at the Graded School — George B. Pfeiffer was the principal. (Mr. Hall remained the principal for the high-school department which remained at the Graded School.) The military school closed after only two years as pointed out above.

Walter C. Sullivan succeeded Mr. Hall as principal in 1922, serving until his elevation to the superintendency in 1938. Eben Lowry Reid was principal for five years, 1938-1943.

The second longest tenure as principal has been that of John Jacob Godbold, who was elected in 1943 and served until 1967, at which time he became an associate professor in the Education Department of Winthrop College. He was succeeded by Calvin R. Burleson in the latter year. Mr. Burleson became an official of the State Department of Education in 1973.

The next principal was Edward L. Laughinghouse, a graduate of Duke University, who held administrative positions in both North and South Carolina. He served Rock Hill High School from 1973 to 1979.

Eric G. Lessmeister, who is the present principal of RHHS, assumed his duties in 1979. Since that time he has served ably and zealously.

Walter C. Sullivan retired in 1965 as superintendent of the Rock Hill schools and was succeeded by Larry W. White, who resigned in 1968. Dr. William L. Proctor served as chief administrative officer for one year, 1968-1969. He was in turn followed by B. Jeff Savage, Jr., superintendent from 1969 to 1980. His was an administration marked by many significant events in the life of the schools: introduction of the quinmester system, integration of the schools, and an extensive building program.

The capable and popular superintendent since 1981 has been Dr. Joseph E. Gentry. Under Doctor Gentry's leadership the district has returned to the semester system and is making a name for itself throughout South Carolina for providing quality education for all children in the Rock Hill area.

The 1983 Bearcat football team, under first-year coach Jim Ringer, ended their season with a record of 5 wins and 6 losses. The 1983 season began as the 'Cats traveled to Charlotte, N.C. only to suffer a heartbreaking loss to the Myers Park Mustangs. The Bearcats were barely defeated by a score of 6-0. The second game of the season pitted the Bearcats at home against A.C. Flora. The 'Cats shone as they defeated the Columbia team 19-0. A 14-7 victory over Lancaster occurred in the third week of the season. However, the Bearcats journeyed to Gaffney the next week, and were badly defeated by the Indians, 33-0. Another disappointing game was to follow when Spartanburg defeated the 'Cats by a score of 13-6. In the sixth week of play, the Bearcats bounced back, winning 6-0 over Union and bringing the overall record to 3 wins and 3 losses.

The Bearcats hosted Dorman in the seventh week of play only to suffer an agonizing loss to the Cavaliers, 24-0. Although Homecoming festivities were dampened by the rain the following week, the 'Cats routed Lexington by a score of 27-0. The ninth game of the season proved to be one of the most exciting of all. The Bearcats barely slid past Boiling Springs, 21-20.

In the tenth and final week of regular season play, the Bearcats lost to crosstown rival Northwestern. As always, the game was an emotional one for both the fans and the players. However, the 'Cats suffered a loss to the Trojans by a score of 12-3.

In the Big Sixteen playoffs, the Bearcats hosted Greenwood. The 1983 season was ended by a single field goal as Greenwood defeated the 'Cats 3-0.

Coach Ringer did not have the depth he wanted on the team this year, but he still produced a team and a season of which the players, the fans, and the city can be proud.

The 1983 JV team did not enjoy great success this year. They struggled through the season without winning a single game. However, they did gain the experience necessary to play on the varsity squad next year. All of the members of the JV squad have high hopes of a successful season with the varsity in 1984.

The First RHHS team known as "Bearcats" — 1922.

This historic photograph, lent to the yearbook staff by a loyal supporter of the Bearcats, W. R. Simpson, of Orange Street, Rock Hill, shows the Rock Hill High School football team of 1922 — the first athletic team of RHHS to carry the name BEARCATS onto the field of contest. The photograph was taken in 1922 by one of Rock Hill's pioneer photographers, M. Carlisle. The staff is grateful to Mr. Simpson for making it possible for the Golden Anniversary Edition to reproduce the photograph for future generations to enjoy.

The following is a complete listing of the players and coaches of the first Bearcat team in history: **(Row 1, left to right)** Coach J. M. WELCOME TO ROCK HILL HIGH!

Mark Greiner

Eddie Hill

Ralph Coomer

Jim Ringer

Jerry Seale

The school year 1983-84 brought five new coaches to Rock Hill High. The School has already benefited greatly from their knowledge and experience. Coach Hill teaches upper-level math, Coach Greiner teaches health education, Coach Coomer teaches physical education, and Coach Seale teaches science. Coach Ringer works full-time as Athletic Director. Rock Hill High hopes these coaches will be members of the Bearcat team for many years.

VOLLEYBALL

The 1983 Volleyball Team enjoyed a winning season this year. Their new coach, Thia Pryor, had only two Seniors to work with this season, Pam Westmoreland and Regina Sweatt. The highlight of the year was defeating Northwestern three times.

The Varsity Soccer Team, coached by Bill Braswell, and the JV team, coached by Brad Owen, had a challenging season. Because there were not many Seniors on the team, the underclassmen were able to gain valuable experience. They are looking forward to an even brighter '85.

Sara Latham, Varsity Cheerleader Sponsor

The Varsity Cheerleaders did an outstanding job this year. They started the year off right by bringing the Jamboree Spirit Trophy home to Rock Hill High School, where it belongs. Not only did they do an excellent job leading the school in spirit, but they also won several awards of their own. At ECA camp in Spartanburg last summer, they won the best-overall trophy, second-place skit ribbon, first-place dance routine trophy for "Beat It," and a spirit stick. At the Piedmont Regional Competition, held in Charlotte, the squad came in third. This was quite an accomplishment because many of the squads had both male and female cheerleaders. This year's Varsity squad upheld the tradition of outstanding cheerleading at Rock Hill High School.

The Junior Varsity Cheerleaders had a very successful season under the leadership of first-year sponsor Karen Tinker. They competed at the Carowinds JV competition and placed in the Top 10. They also brought home the "Coke Is It" Spirit Trophy to Rock Hill High for the second year in a row. At the McCrory YMCA Competition held in Charlotte, they placed first. They brought home a third-place trophy from the Eastern Cheerleaders' Association Regional Competition held at Myers Park High School in Charlotte. The JVs continued the tradition of outstanding cheerleading at Rock Hill High School.

The JV Cheerleaders have that Bearcat spirit.

OUR MRS. YONCE

Carolyn Yonce is a staunch supporter of cheerleading at Rock Hill High School. Last year, as varsity cheerleading sponsor, she led the squad to accomplishments unprecedented at Rock Hill High. The varsity girls won the Eastern Cheerleading Association's National Championship held in Williamsburg, Virginia. This would not have been possible without the dedication and guidance of Mrs. Yonce. This season, she relinquished her duties as cheerleading sponsor at Rock Hill High to become cheerleading coach at Winthrop College. However, Mrs. Yonce has not disappeared from Rock Hill High's cheerleading scene entirely. She often visits practice, lending her experience and wisdom to this year's squad. She deserves many thanks for giving Rock Hill High School one more thing of which to be proud — an excellent cheerleading program. Cheers for Carolyn!

BOYS' VARSITY BASKETBALL

The 1983-84 season was a building year for Coach Mark Greiner's Varsity Basketball Team. He had only one returning starter from last year's team, Greg Baxter. However, the young team improved with every game. The highlight of the season was defeating Northwestern 57 to 46.

GIRLS' BASKETBALL

Rebounding Regina

The Girls' Basketball team had a rather disappointing season this year. They lost several games by a few points. Because there were only three Seniors on the team, it lacked experience and depth. However, through hard work and dedication, these girls kept up the tradition of excellence in Bearcat sports.

The Junior Varsity Basketball Team was yet another team that had a new coach this year. They were coached by Jerry Seale. During the course of the season, there were many ups and downs. They suffered a heartbreaking two-point loss to Northwestern on January 31. However, they gained valuable experience and knowledge that will prove to be helpful next year on the Varsity squad.

The 1983-84 Westling Team continued the tradition of outstanding wrestling at Rock Hill High School. They were undefeated in dual matches again this season, moving their record to 83 consecutive dual-meet wins, and seven straight undefeated seasons. They won the Region 2-4A meet, the Upper State meet, and the South Carolina State Championship. Coach Jim Barnes and the individual wrestlers should be highly commended for their phenomenal accomplishments.

This was quite a feat because there were only two senior-high players on the team, Kelly Sanders and Joy Elliott. The remainder of the team came from the two junior-high schools. Julie Davis, a ninth-grader from Castle Heights, placed second in the state. The entire team is to be congratulated for a fantastic year.

The 1984 Bearcat Tennis Team hopes to have a successful season. This book does not permit full coverage of the team, but we feel sure they will carry on that Bearcat tradition of excellence. The team's mentor is Coach Windell.

CROSS COUNTRY

The 1983 RHHS Cross Country Team began the season with a competitive disadvantage. The Team was not formally organized until mid-August and had its first meet on September 6th. The season started slowly with a region loss to Gaffney and a non-region loss to Northwestern. However, as team members got into shape, running times quickly began to improve. The region record was 4-2, and 7-3 overall in dual meets. In the Region 2-AAAA Cross Country Championship the Bearcats placed 3rd, behind second-place Dorman and first-place Spartanburg. This win qualified the team for the State 4-AAAA meet, where it finished 7th. Kevin Murphy was cited by Coach Edmunds for representing RHHS "in an exceptional manner." Next season, Seniors Jimmy Dixon and Kevin Murphy will be absent from the team, but with hard work and team cooperation, Coach Edmunds hopes to have an equally successful 1984 season. The RHHS Cross Country runners were: Kevin Murphy, Jimmy Dixon, Tray Turner, Travis Pilcher, Keith Smith, Rob Woods, David Ashley, and Mark Griffith.

GOLF

Historians believe that golf probably developed in Scotland about the year 1100 from a Roman game called **Paganica**. We know with certainty that King James II of Scotland banned golf in 1457 because its popularity threatened the practice of archery for national defense. Today, the King would be dismayed to discover that golf remains entrenched at Rock Hill High. Here we have six of the latest of those errant knaves that practice golf despite King James' displeasure.

Governor's School is a five-week honors program held at the College of Charleston that provides special academic and creative experience for a limited number of rising high-school Seniors. Students demonstrating exceptional academic achievement, intellectual potential and creativity are screened and nominated by their schools. Once nominated, all candidates are carefully screened by a panel of educators. In addition to spending many hours studying college-level work, students are encouraged to participate in such activities as concerts, dances, beach parties, and sports.

Palmetto Girls' State is held at the University of South Carolina in our state capital, Columbia. It is sponsored by the American Legion Auxiliary. Delegates listen to many speeches and learn much about state and local governments. They elect a House and a Senate. The week is capped by the election of a governor and a lieutenant governor. They even get to hold a mock legislative session in the State House. It is an experience that the delegates never forget.

Girls' State Delegates: Kim Grant, Tricia Hutchison, Blair Guettler, Nancy King.

The Erskine Fellows program is set up to recognize two talented students, one male and one female, from various schools throughout the Southeast. In order to be nominated, the students must be taking college-preparatory courses, rank in the top 25% of the class, have a total of 1000 on the PSAT or SAT, and show unusual qualities of leadership through extracurricular activities and community participation. Being chosen as an Erskine Fellow gives a student the opportunity to visit the Erskine campus and to be considered for Erskine's Fall Scholarship Competition.

Erskine Fellows: David Peay, Trina Jones.

BEARCATS SHINE

In recent years, Rock Hill High students have demonstrated a need for fast-paced courses which are intellectually stimulating. The School has met this need by providing **Advanced Placement** classes for those ambitious students who wish to develop their intellects to the fullest degree. Students must meet strict requirements to enroll in an AP course, and many hours of hard work are

necessary to excel. Students who score well on the AP exam in May are eligible for college credit or advanced college placement. However, the true reward for Advanced Placement students is an enhanced understanding of a subject which they find intriguing. So, here's to AP students, for their persistence and determination in the pursuit of higher learning!

Advanced Placement Chemistry, a two-period course, is the equivalent of a freshman-year chemistry course in college. Mrs. Oates instructs the students in thermochemistry, atomic structure, coordination compounds, and nuclear reactions. These students spend the majority of class time doing laboratory experiments.

AP English is taught by Mrs. Kelly, and develops students' analytical abilities in literature. Compositions, assigned frequently, promote polished writing skills. The students read several novels during the summer and continue to read various forms of poetry and prose throughout the year.

2

1 — Advanced Placement Biology covers every aspect of this science, from the creation of the universe to the intricacies of the DNA molecule. The two-period course includes at least one overnight field trip per semester and the students must conduct an original scientific research project. This is the first year that this course, taught by Mr. Alderfer, has been offered at Rock Hill High.

2 — The first Advanced Placement course offered to Rock Hill High Students was Ap American History, taught by Mrs. Amick. Students become eligible for this class in their Junior year; all other AP courses are restricted to Seniors. These students study the entire history of the United States in great detail, while becoming familiar with the demands of a college-level course.

3

3 — Students may continue an in-depth study of history in their Senior year by taking Advanced Placement European History. Mr. White leads his class in an exploration of the historical events of Europe, beginning with the 15th-century. Daily lectures are interspersed with Mr. White's colorful anecdotes. The students are further enlightened by relating historical events with current world affairs.

4 — David Peay, one of five AP Calculus students, tackles an assignment from Mrs. Brozina. These students are introduced to the wonders of related rates, maximum-minimum problems, differentiation and integration. Independent work is emphasized, and the ability to reason is improved.

THE BAND OF DISTINCTION

Beth Rutledge — Majorette

"The Band of Distinction" continues to enjoy the fine reputation of being one of the top bands in the state. In this year's competition, the band placed 8th in South Carolina. However, winning is not the only thing that Mr. Ellwanger seeks to teach his students. The ability to get along with others, to accept responsibility, and to strive for set goals are what make the RHHS band a "Band of Distinction."

GARNET, BLACK & GOLD

The Garnet, Black & Gold Newspaper staff has really developed under the talented leadership of Miss Kelly Gordon. The staff is composed of second — year journalism students who create story ideas, design pages, and develop negatives. The paper is entirely student-run. The Garnet, Black & Gold is published seven times a year.

Last year, the Garnet, Black & Gold was named "Most Improved Newspaper in South Carolina" by the South Carolina Scholastic Press Association.

Four members attended the USC Summer Workshop. There, Kelly Sanders won an "outstanding" writing award.

The newspaper staff is full of new beginnings, ranging from the start of the annual Journalism Banquet to the birth of a new Bearcat newspaper tradition.

THE JUNIOR-SENIOR PLANNING COMMITTEE

Thanks to the Junior-Senior Planning Committee, the 1983 prom was among Rock Hill High School's most successful. Under the super direction of Keith Williams, the committee really got off to an excellent start. The Band "Staircase" was selected in December and the theme "It's A Small World" was chosen by January. From January to the afternoon of the prom, the committee worked diligently choosing paper, contacting artists, raising funds, ordering flowers, writing invitations, selling tickets, and finally decorating the gym. The unyielding dedication of these students made the 1983 prom a night to remember.

Committee Members: (L. to R. Sitting): Trina Jones, Lynn Williams, Blair Guettler, Holly Parrish, Kim Grant, Sandra Jones. (Standing) Gerald Smalls, Janice Talford, Mike Carroll (not pictured — Lona Poole.)

Junior-senior prom an exciting event

EDITOR:

I am writing today because of the excitement I feel from the junior-senior prom. The junior class and faculty should be commended for their excellent decorations and preparations. Also, Keith Williams should be congratulated for his excellence and guidance in planning this event.

The theme was "It's a small world." The decorations were real colorful and matched the theme perfectly. There were lots of streamers and pictures.

There was even one thing better than the decorations. That was the band. They were called "Staircase" and they were great! They have performed at the prom the last two years.

The band had such a good time performing that I never saw anyone not enjoying themselves. Most of the time the dance floor was full and it was hard to find anyone sitting down. Even the faculty could be found on the dance floor.

The band's interpretation of the music was so good that you could not tell they had not written the music themselves. They had a great attitude and were really nice. The band members talked to students and came out on the dance floor to sing several times. It was evident that they had worked hard to perform well.

When the band had finished for the night, they were very grateful for the opportunity to perform at the prom. I would say everyone was pleased to have them, because no one left until the music stopped.

This was my senior prom and I will remember it always. I'm still excited because my girlfriend is a junior and I'll get to come back one more time. I hope Staircase comes back too. Everyone has been joking about signing a permanent contract with them. If that doesn't work, maybe they will come back one more year.

Once again, Mr. Williams and his crew of workers should be commended on a job well done.

THE CIVINETTE CLUB

From all girls . . .

The Civinette Club is a service organization made up entirely of dedicated girls who are willing to put their time and energy into helping others. This year's Club participated in such events as CROP walk, ARC, Give-a-Can, and Special Olympics. The Civinettes also adopted a family at Christmas and gave a Halloween party to a retarded Boy Scout troop. The entire Civinette attitude as specified in their creed is based upon the thought, "Do unto others as you would have them do unto you."

THE FELLOWSHIP OF

This year's FCA made more contributions to the School than any FCA club in the past. Under the leadership of Coach Bolt and Kim Grant, the Club soared to unbelievable heights.

Last fall, the Club sponsored a Haunted House at Halloween. The success of this venture can be judged by the number of people who attended and the 2000 dollars that was raised. The Club did not stop after accomplishing this magnificent goal. Instead, the members charged on and held a Dance-a-thon, which raised over 700 dollars. With this money, the Club bought a sound system for the school and made other significant contributions.

The Club also participated in programs that gave the members the chance to serve others. The 1983-84 FCA has proved that, when people join together, they can indeed make miracles happen.

THE AIR FORCE JUNIOR ROTC

The Air Force Junior ROTC is in the business of building outstanding citizens. Contrary to what some may think, military drill is only a small part of the total program. The cadets are taught courses in history, government, meteorology, aerodynamics, navigation, aviation, history, space technology, communication skills and leadership. The Cadet Corps sponsors competitive drill teams, model rocket clubs, model airplane clubs, colorguard, and an honor society. The Cadets make numerous "curriculum-in-action" trips to military installations throughout the state, go aboard major navy combat ships, and fly on military aircraft. They are a very active unit of Rock Hill High School students.

In addition to teaching, many of the faculty of Rock Hill High are involved in the extra-curricular programs provided by the School . . . Through the excellent guidance of Mr. Alderfer, the Bearcat Science Club has really increased in size and broadened its horizons . . . Mrs. Amick spends much of her time sponsoring the Rock Hill High Chapter of the National Honor Society . . . Athletic programs excel under the direction of Coach Barnes and Coach Biddix. These two men have contributed significantly to the superior Bearcat wrestling program . . . While constantly being on the move with the F.C.A., Coach Bolt also extends a hand to the Key Club . . .

Although all of the teachers do not sponsor clubs or coach sports, they do in some way or other provide other equally important services for students . . . For example, Mrs. DuBard, the Senior Class Counselor, spends a great deal of time helping students to make difficult and sometimes crucial decisions . . . Yet when students just want to have fun, they can show their Bearcat spirit through the Pep Club, which is sponsored by Mrs. Dickerson . . . Mr. Ellwanger, the Band director, has dedicated many hours of hard work in building the Rock Hill High School Band of Distinction . . . Mr. English adds his skills in helping to make the track and field program a success . . . In the Foreign Language Department, Mrs. Ferguson advises the German Club . . . Although Mrs. Garrison has just taken on the responsibility of the Psychology Club, the Club is already reaching new heights through her ideas . . . Miss Gordon is the powerhouse behind the success of the school newspaper, **The Garnet Black and Gold**. Her original ideas and concepts have added a new dimension to the paper . . .

LUNCHROOM STAFF. (Seated, left to right:) Lucille Rogers, Deloris Adams, Allene Workman, Louise Graham, Mrs. Bolling (Manager). (Standing) Lucille Erby, Mae Rivera, Mildred Smith, Helen Hinson, Angie Barber, Frances Boger, Betty Ludlam.

The responsibility of sponsoring a school activity is shared between the new and the old teachers alike. During his first year of coaching varsity basketball at Rock Hill High, Coach Greiner has really added zest to the meaning of Bearcat basketball . . . The choral program has continued to flourish under the graceful hands of Mrs. Helton . . . Mrs. Hilton, the Junior Class Counselor, and Mr. Hill, a math teacher, have both taken on extra responsibility this year. Mr. Hill works with the Math Club and the Math Team, and Mrs. Hilton supervises the Junior-Senior Planning Committee . . . Coach Ireland provides instruction and support for the girls' softball, basketball, and tennis teams . . .

Mama Long proves to be not only a teacher but also a friend.

The faculty of Rock Hill High really keep student organizations alive by constantly striving to maintain the clubs' traditions of excellence . . . Mr. Kizer, in his first year at Rock Hill High, has kept the Spanish Club alive and growing . . . For the second year, Miss Latham has instructed the varsity cheerleaders . . . Mrs. Long brings out the best in drama and suspense through the Drama Club . . . The Bearcat R.O.T.C. remains superior under the experienced hand of Col. Lott . . . Mrs. Mohle has really brought the Art Department together by forming the Art Club . . . With the support of the faculty, clubs like the F.H.A. and athletic events still survive after decades of existence . . . The present F.H.A. Club, under the leadership of Ms. Phillips, still tries to prepare prospective homemakers for the future . . . Coach Ringer, in his first year as head football coach and athletic director, has really helped to keep competitive athletic feeling alive . . .

Coach Seale is mentor for the junior varsity basketball team in his "spare" time . . . The French Club experiences the adventure of life in France under the imaginative instruction of Mrs. Stambaugh . . . Sgt. Tindall helps students to develop leadership abilities through the R.O.T.C. program . . . Miss Tinker, in her first year of teaching, has really worked hard. The junior varsity cheerleaders and the Civinette Club will testify to her devoted leadership . . . Mr. White has really inspired the annual staff to work harder than ever this year on the fiftieth edition of the **Bearcat** . . . Mrs. Whitesell moderates the Student Council meetings of Rock Hill High . . . Sgt. Williams offers additional instruction to the R.O.T.C. program . . . Although Mrs. Yonce is no longer varsity cheerleader sponsor, she, like so many other faculty members, always lends a hand wherever needed.

A SALUTE TO SENIORS

There is a little sadness in the final year of high school. As graduation draws near, Seniors reflect on the special times of the last four years. Learning at Rock Hill High School is more than acquiring factual knowledge: it is putting on a play with the Drama Club, falling in love with history, writing computer programs, experiencing the magic of music with the Band and Chorus, and participating in sports year round, from volleyball to track. This diversity of activities encourages students to broaden their interests and to mature both mentally and emotionally. Rock Hill High School is more than a building on Springdale Road. It is a body of individuals with a common purpose: teachers, coaches, and students working together to learn and grow. The experiences of high school that shape our personalities and our attitudes reach beyond the Senior year and color our future.

ALMA MATER

We sing to thee, our Alma Mater,
From hearts that glow with pride sincere.
Thy mem'ry ever lingers with us
Though we be scattered far and near.
Whate'er we win of fame or fortune,
For High School days we oft will sigh.
We'll cherish still our Alma Mater,
Our dear old Rock Hill High.

Let loyalty now be our watchword,
A theme that's dear to one and all.
Though far away we oft may wander,
We'll ever hear thy ringing call.
Our thoughts will linger with thee ever;
Our hopes and dreams will e'er be true.
Our hearts forever will be loyal,
Dear Rock Hill High, to you.
—Catherine Timmerman Moore

SENIOR SPOTLIGHT

Teachers of Seniors at Rock Hill High School were asked by the **Bearcat** staff to nominate twenty-four outstanding Senior students for recognition of their contributions to Rock Hill High School.

Young Sue Bae: Young Sue Bae enjoys AP Biology and plans to continue her studies by majoring in biology at U.S.C. She enjoys playing the violin, writing in her journal, and listening to Journey in her spare time. In addition to her extensive school schedule, she finds time to work as a cashier at Young Fashion. Young Sue believes that all Seniors will begin to face new challenges as they enter colleges and the job market.

Sharon Denise Carpenter: Sharon is active in many different activities at RHHS. She holds the office of co-editor of the **Bearcat**, works on the stage and lighting crew, and planned the props for the School's 1983 Homecoming. After school, Sharon participates in various sports and has a part-time job at Ryan's Family Steakhouse. She plans to attend Winthrop College as a business administration major.

James Paul Eish: Jim's Senior studies include AP English, Calculus, and Physics. He is active in the Band of Distinction and is president of Rock Hill High School's National Honor Society. In his free time, he enjoys playing trumpet, lifting weights, and bicycling. Van Halen, Journey, and ZZ Top are Jim's favorite musical groups. Jim's plans for the future include majoring in electrical engineering at U.S.C.

Amy Benson Brown: Amy's favorite courses are AP English and AP European History. As co-editor of the **Bearcat** she spends much of her time working on the yearbook. In her free time, she enjoys taking long walks, reading, and listening to music. Some of her favorite musical groups are Pink Floyd, Heart, and Journey. She also writes poetry and plans to major in English at the South Carolina College in the University of South Carolina.

Donald Christy, Jr.: Donny is an exceptional student who meets the demands of the most challenging course with ease. Outside the classroom, his favorite activities include riding his bicycle and practicing karate. Donny enjoys "classic rock," especially Pink Floyd, and plays bass guitar. He plans to major in engineering at Clemson University.

Lisa Faye Ellis: Lisa's rigorous high-school schedule includes Calculus, AP Biology, and AP English. She devotes many hours after school and on weekends to working on the **Bearcat**. For relaxation, Lisa enjoys reading, watching "WKRP" and "Cheers," and listening to "Old-time Rock 'N' Roll." Her favorite groups are Jethro Tull and Pink Floyd. Lisa plans to major in math at Clemson or the College of Charleston.

SENIOR

Steven Eugene Fields:
Steve plans to major in biology at Winthrop College. He plans to earn a degree and find a job pertaining to environment protection. Steve enjoys playing video games and bowling in his spare time. His favorite type of music is rock, especially when played by Duran Duran. Steve is also capable of juggling a difficult schedule of AP courses with his work at Harris Teeter.

Derek Martin Gilmore:
Derek has an unusual philosophy of life: he feels that people are like pogo sticks. Even when they are jumped on in the wrong way, they will eventually spring back. Derek plans to pursue a career in computer engineering. He enjoys soul music, especially Kool and the Gang; he enjoys basketball, and spending time with "those he loves." Derek has been active in high school working on the **Garnet, Black and Gold**. He also participated in the work of the Student Council.

Martin Samuel Grem:
Marty's college-prep schedule includes Physics and Calculus. He plays varsity football for RHHS and is active in the Key Club. For relaxation Marty likes to read and play guitar. He enjoys a variety of music, especially groups like Huey Lewis and the News. Currently, Marty works part-time for a civil engineering firm in Rock Hill. He plans to major in civil engineering at The Citadel.

Kevin James Freeman: Kevin balances his high-school schedule with RHHS's band program. He plays trumpet and guitar; and in his spare time he enjoys listening to music. His favorite groups are Def Leppard and Air Supply. Kevin plans to attend the College of Charleston.

Allison Kimberly Grant: Kim contributes to RHHS as an athlete, an excellent student, and an active member of the student body. She is captain of the cheerleading squad, a member of the Civinettes, and an honor student. Kim enjoys all music types, but she is partial to James Taylor. She hopes to be a cheerleader at N.C. State and to major in business administration.

Blair Lillian Guettler: Blair plans to attend Furman University and major in elementary education next year. She has taken an active part in student life at RHHS. She is a Civinette and member of NHS. She enjoys listening to Loverboy and visiting with friends in her spare time. Blair works at Revco to finance her frequent shopping expeditions.

SPOTLIGHT

Charles Edward Herring: Rocky's high-school experience centers around RHHS's "Band of Distinction." In his Senior year, Rocky is drum major. He also plays trumpet and French horn. He enjoys listening to Journey and being with his friends. According to Rocky, "Rock Hill High School is the best high school in South Carolina." Rocky plans to major in music in college.

Patricia Lee Hutchison: Tricia has a challenging academic course load which includes AP English and Calculus. She also takes AP Biology, preparing for a future career in physical therapy. In her limited spare time, Tricia works as a sales clerk at Belk and listens to her favorite musical groups, Air Supply and Chicago. She plans to continue her study of biology at the College of Charleston.

Trina Jones: Trina balances her heavy academic schedule with a variety of extra-curricular activities like Civinettes, the Advisory Council, and the Band. She also drives a bus for RHHS. In her spare time, Trina enjoys reading, horseback-riding, and tennis. She plans to major in political science at Cornell University.

Amanda Grace Hilton: Amanda likes to spend time with her family and friends. She also enjoys listening to her favorite pop artist, Lionel Ritchie, sing his beautiful love songs. Amanda maintains a trim figure even while being tempted by 33 flavors of ice cream on the job at Baskin Robbin's. She plans to throw her ice cream scooper aside next year and turn to the study of computer science at Winthrop.

Sandra Michelle Jones: Sandy is a well-rounded young lady with a wide range of talents. She enjoys dancing, exercising, playing the guitar, and singing. Although she listens to all types of music, DeBarge and Culture Club are her favorite groups. Sandy feels that a positive attitude and cheerful smile can brighten even the darkest day. She strives to live for the future and leave problems of the past behind. Sandy plans to major in journalism and communications at college.

Sharon Delores Kennington: Sharon is involved with both Choral Ensemble and the RHHS Band of Distinction. A talented musician, she is a member of All-State Band and All-State Honors Chorus. She enjoys collecting things and writing letters during her spare time. Sharon also listens to music with meaningful lyrics sung by groups like Air Supply and Journey. She plans to major in economics at Winthrop next year.

SENIOR SPOTLIGHT

Nancy Emily King: Nancy has been involved with many aspects of student life while at Rock Hill High School. She is a cheerleader, a member of NHS, and a sports editor of the B.C. She enjoys listening to music by Journey and spending time with her friends in her minimal spare time. An award-winning math and science student, Nancy plans to major in math at Clemson University.

*Kelly Marie Sanders: Kelly loves her job as editor-in-chief of the **Garnet, Black & Gold**. She enjoys the work and the responsibility. Kelly hosts a five-minute radio show, featuring the activities of Rock Hill High School, on WTYC. In her spare time Kelly enjoys listening to soul and soft rock. She plans to major in communications at Winthrop.*

Gerald Hubbard Smalls: Gerald's schedule includes a heavy academic load and many extra-curricular responsibilities. He is president of the Senior Class and is very active in the Key Club and the Band Council. In his spare time Gerald enjoys listening to jazz, rhythm and blues, reading, and playing sports. He plans to major in engineering or business administration in college.

Ellen Diane Neely: Diane's high-school interests include A.P. European History, A.P. English, Calculus, and R.O.T.C. In her spare time, she enjoys biking, camping, and puppeteering. Quiet Riot and Rush are her favorite musical groups. Diane plans to build a career in the U.S. Air Force.

Rebecca Lynn Scott: Rebecca works hard in her college-preparatory classes and participates in a variety of school organizations like the Civinettes and the F.C.A. She enjoys going for long walks and spending time with her friends. She plans to major in math at Winthrop and transfer to U.S.C. Rebecca feels that she has been well prepared for a math career by such good math teachers as Mr. Wallis, Mrs. Brozina, and Mr. Hill.

Craig Nathan Walters: Craig, a talented actor, has been involved with many dramatic productions at RHHS. He plans to pursue a career in the acting field and will major in drama at U.S.C. Craig is also an active member of the Academe Team. He enjoys watching T.V., bicycling and listening to both classical and rock music in his spare time. His favorite group is the Beatles. Craig also likes working at Carowinds Amusement Park during the summer months.

In commemoration of the Golden Anniversary Edition of The Bearcat, the yearbook staff has this year revived an honor that was formerly a regular feature of the annual: "Miss Bearcat." The 1984 recipient of this worthy title is La Salle McCullough, one of the most popular students at RHHS. La Salle is a cheerleader, an officer of the Air Force Junior ROTC program, a hard-working student in college-preparatory courses, and a friend to everybody. The yearbook staff sets this page aside in honor of —

Dear Students:

I appreciate having the opportunity to participate in your Golden Anniversary Edition of The Bearcat. I have selected twenty of your Senior Beauties to be featured for 1984. Picking just twenty out of the entire group of young ladies was a difficult job, but it certainly was a pleasurable one.

Thank you all again for allowing me this opportunity.

Sincerely,

CAREER DEVELOPMENT CENTER

The Rock Hill Career Development Center offers a variety of courses to high-school students interested in pursuing technical careers. Most of the 25 programs at C.D.C. require 2 years to complete. However, the Child Care, Health Occupations, Business Administration, and Senior Intensified programs require one year of study. The Pre-engineering program is the only one-semester course at C.D.C. In addition to their studies, students participate in several clubs and competitions through C.D.C.

1—The Director of C.D.C., DaCosta Muckenfuss.

2—A tree grows in C.D.C.

1—Students receive instruction and practical experience in hairdressing and facial treatment in the Cosmetology lab.

2—Rene Gaston gives a permanent to a customer.

3—Students give blood at CDC.

4—Abby Kennedy and Ashlyn Kelley, Health Occupations students, are introduced to career areas related to health care while practicing CPR.

1—Angie Marie works with the Monroe Microcomputer in Data Processing, which teaches business skills, accounting, and data entry.

2—Another Data Processing student, Joe Versoncoeur, learns keyboarding.

3—Tammy White, Stenographic student in the Business Education Department, writes shorthand.

4—Leslie Deas and Wanda McCullough, two Stenographic majors, check out the new Systel Word Processor. Stenographic students learn typing, shorthand, accounting and office procedures.

1—Students in Senior Intensified at C.D.C. learning office procedures and business English. Two Senior Intensified students, Trudy Baker and Angie Brakefield operate the Xerox Memorywriter.

2—Patti Smith, a clerical student, slaves on her calculator. Clerical students learn typing, accounting, and business machines math.

3—Marilyn Thorne, Mrs. Blackwell, Pam Daniel, and Miss Ferrell during the induction service for Distributive Education. Distributive Education prepares students for careers in marketing, merchandising, and management in retail business.

4—C.D.C. students enjoy some refreshment.

5

7

The skill and artistry of students from several departments at C.D.C. contributed to the building of this house. C.D.C.'s Building Construction course gives students a firm foundation in basic carpentry and cabinetmaking.

1—David Shue, a Drafting student, learns techniques in making scale drawings from specifications and blueprint drawings.

2—Curtis Brock and Jeff Hammond learn procedures in installing, repairing, and maintaining water and heating systems in Plumbing and Pipefitting.

3—Waymon Fields and Hutch Neely work on a mock house by installing an electrical system.

4—Bernard Stuart learns the basics of Bricklaying.

5—William Thomas tinkers with Air Conditioning and Refrigeration. In this course, students learn about the installation and repair of heating systems.

6—C.D.C. Painting and Decorating students get some real experience.

7—The house that C.D.C. built.

Radio and T.V. Electronics gives students instruction and experience in repairing electronics circuits. Graphic Communications prepares students for careers in the printing industry.

1—Randy Gregory repairs a television set.

2—Elizabeth Collins and Gary Hawkins relax for a moment between classes.

3—Graphics student William Hamright runs one of the presses.

4—Jim Hinson, Graphic Arts instructor.

C.D.C. also offers instruction in Automotive Body and Frame Repair, Horticulture and Landscape Design, Business Administration, Power Mechanics, Small Engine Repair, and Welding and Sheet Metal Fabrication.

1—C.D.C. staff members participate in an Assertive Discipline Workshop.

2—Felicia Ashley works through the Food Service Major at C.D.C., for a career in preparing and serving food.

3—Doris Anthony, a Health Occupations student, works with a microscope.

4—A kindergarten class visits C.D.C. at Halloween.

THE NAMES IN CHALK

From Aaronson to Zuller at the end,
The Seniors' names are boldly chalked in
white

Upon the sidewalk for the class to wend
In orderly procession, lined up right
To get their new diplomas, each his own.
Tonight the summer rain will come and clean

The walk of all that's written thereupon.
Tomorrow when I come upon the scene
And find the empty campus is as still
As country graveyard hush, I'll see the file

Of names is gone and think (as teachers
will
Oft times) of some who made it all worth-
while,

Of some who've left their names with
us, to stay
In chalk so strong it won't be rained
away.

Nothing Gold Can Stay

Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief;
So dawn goes down to day.
Nothing gold can stay.

— Robert Frost

ACKNOWLEDGMENTS

*Over the years, each graduating class has lent the color of its generation to Rock Hill High School. Conversely, this school has influenced the development of each graduate. The **Bearcat** staff has striven this year to make the fiftieth volume of the **Bearcat** representative of the Spirit of Education which has evolved at R.H.H.S. over the last half century. This Golden Anniversary Edition of the **Bearcat** is presented to the Class of 1984 and Rock Hill High School alumni with special memories of the past and best wishes for the future.*

*We would like to thank the following friends for their contributions to the 1984 **Bearcat**:*

- the **Evening Herald**, for their excellent sports photos;*
- "guest photographer" Michael Alexander, for emergency photography;*
- student photographers: Mike Carroll (Senior) and Scott Rapp and Eric Baker (Juniors);*
- Travis Nichols, for the cartoons of the Senior Superlatives;*
- W. R. Simpson, for the picture of the first Bearcat football team;*
- Coach Danny Ford, of Clemson, for selecting the Senior Beauties;*
- our faithful library staff, for looking aside while we cut up their copies of the yearbooks;*
- all the **Bearcat** staffs of the past fifty years for the photos we used from their books;*
- Irene Kneece, for the photos and copy used in the C.D.C. section;*
- William Boyce White, for his patience and wisdom in guiding the production of this book;*
- Dina Möhle, for her excellent advice on design and promptness in providing all the calligraphy appearing in the **Bearcat**. She also deserves each Senior's thanks for personalizing his copy of the **Bearcat**;*
- Dr. Joseph E. Gentry and the Board of Trustees, for the generous supplement of district funds to offset the extra expense involved in the production of this special edition;*
- the Blackston family, for photography and yearbook service. Special thanks go to Horace Blackston for his gift of the two-color spread of the covers of all fifty editions of the **Bearcat** and for twenty-five years of excellent service to Alma Mater;*
- the faculty and staff of R.H.H.S. for their assistance and support, especially Mr. Lessmeister, who for many years has been a staunch friend of the **Bearcat** and who always seems to enjoy the book more than anyone else.*

Susan,

Oh gosh, I can't believe it's almost over. Everybody is going their separate ways, you and Howard are getting married, and I think it's great! I'm so happy for you. It seems like forever when we met in Sixth grade. We were through all together. It seems hard to believe we parted and went in different directions. I still do and always will love you. You are a special person, Susan. I wish you all the luck in the world. I hope you will always be as happy as you are today. I'm here if you ever need me. (Belle-5945)

Love ya always,
Sherry Nusdley.

Susan,
Boy we had some good laughs in Mrs. Whitesells class, didn't we. You're a great friend and I hope we stay in touch although you will be moving off. I wish you and Howie all of the best luck in the future. Have a great summer and take care.

Love,
Brownie Simpson

Sue!
It's been wonderful knowing you through the years. You're one of the sweetest people I know. Take care through the years & I wish you the best of luck with Howard.
"I want details about "The honeymoon" Only lidding!!! Stay the special you are & you'll never have a care in the world!
Love
O.L. M. Simpson

Susan, we've come a long way. I wish you both much happiness in your married life. You are both so beautiful and I look forward to seeing you both again. I hope you have many more years together. Good luck to you both in your new marriage. I hope you both have a great wedding day.

Friends forever,
Dunna Redder

Susan,
I'd like to say thanks for being a friend. We had some good times in shorthand. I wish you the best of luck in the future. I hope you and your future husband have a great life together. Stay as sweet + kind as you are now and you will go a long way in life. Have a great summer.

Friends
forever,
Love,
Wanda
McLean

Susan,
First of all, congratulations on winning "Senior Beauty". You've really had some good times since 1st grade. I'm glad our friendship has flourished in this past year. Good luck in all your future endeavors. Also, Best Wishes on your soon to be wedding.

Love always,

Kelly

Susan,

First off I want to say I'm glad we had a computer class together so that we were able to become such close friends. Susan I haven't known you as long as I wish. You are the kind of person that has a lot of good and kindness, right down to the heart. Susan, I want you to know that you are a fantastic person and most of all friend.

Susan,

I enjoyed having you in Stenocript with me. You, Lisa and Dawn added life to the class. Best of luck with your marriage and have a good summer. friends, Christi
Brabham
(Sorry)

Susan,
I'm so glad we've become such good friends this year.
You were always there for me two
days back in (in & economic)
I want to wish you
all the best in your

Susan,

I am glad that we had the chance to meet and become good friends. I enjoyed sitting behind you and telling my hood off in Mr. White's class. May God bless you and guide you through the rest of your life. Good luck in the future and with Howard. Stay in touch

Susan,
Can you believe it's almost over?
I want you to know
that you have always been a
good friend of mine + that you
have given me a lot of advice
that I have taken. I sit back
+ think about the years at Jullian
High. Boy, did we have problems
then! Well, you don't have much
to worry about these days, because
you will soon be married + I
believe that you will make Howard
very happy. You two will make a
wonderful couple + I know that
you will always be happy. With hard
to believe that we both made senior
Beauties, but in the years to come
when we turn old + gray we can
always look back + see what we
once looked like! Right!! Well, take
care of yourself + remember that
you never need someone to talk
to, if we are around. Have a wonderful
summer + thanks alot for all you
have done for me. Congratulations on
getting married!!

Always & Goodbye,
Dawn

Susan, I know you have been great since we last wrote. I think you are a sweet and special person. I get better and I think you are a very sweet person. You are a good friend. I wish you and Howard the best of everything. I hope we can keep it touch after we are married. If you ever need someone to talk to, call me. I'm here for you. I hope our friendship will get stronger & stronger. Have a great summer & married life. Give always, (Patricia)

Susan,
It has been great knowing you!
You are a terrific person. I
don't know how its going
to be here next year with
out you. I am not want to
the same.

You will be an old
marrying woman. For you because
of Howard & yourself.
Good luck to you & Howard.

P.S. How did we survive
I'll never know.

I've since written you
and I think you are
a sweet and special person. I get better
and better. Good luck & the future, and
Every year you seem to get better, and
a great summer friends always,
Lucky

Susan, girl it won't be
well before you will be a happy
long before lady I'm very well
married and I wish you all
for you and I. I wish you all
the happiness in the world.
Its been great knowing to miss
you and I'm really going to miss
you. And I'm really looking forward to next year.
Keep in touch. Love Jerry Pope

Susan,

36 more days and your great future will begin! I wish you all the happiness that you deserve! You've given me some advice that I've really used. Thanks for everything Susan. Your friendship is one that I really treasure and I hope that we can always keep in touch! Please don't ever forget me! You and Howard are gonna' be so happy I just know it. If you ever need anything, just let me know 'cuz I would love to return something to you for all the things that you've said to help me out.

We've been together at school for a number of years and this one has been the best! We've grown so much closer these past few months. When we walk across the stage we'll never be able to return to these good ole days. May you get all that you want out of life!

I love you,

Susan!
Well Susan there's
not much to say that
you don't already know only
that I think that you are very
sweet and a very pretty girl with a
great personality. And don't you let
anyone change that. I hope that you have a
nice summer and I will keep in touch! Well
I'm wishing you and Howard the best of luck
before and after you get married. Have a happy
life

p.s. you didn't know
I could be this nice
did you?

Yours Eric P. Matala

Susan,

It's been a wild year, hasn't it? I can't believe we're finally graduating! I hope you enjoy married life! If you have any children, be sure to name one after me! (HA!) Well, I we will meet again someday.

Yours always,

Wesley

Susan,

Well I guess this is just about the ending for us. I hope you know I don't want you to get married, but I want you to be happy, and if you got to get married to be happy, go for it. Maybe I'll see you & Howard over in California (Hope so.)

Well don't forget me O.K.

Love,
Dean
Deary,

P.S.
If I ^{be} ^{go} ^{out}
over in California
I'll ^{be} ^{go} ^{out} for dinner.
